TEAM LEADER SUPERVISOR

LEVEL 3 APPRENTICESHIP

TEAM LEADER SUPERVISOR

 Course Duration: **13 Months**

 Qualification: **Level 3 Apprenticeship**

ABOUT THIS COURSE

The Team Leader Supervisor standard is robust, challenging and testing, it will help employers to develop an agile and professional workforce.

It will support and develop leaders and managers, whether they are new to the role and wish to take their first steps into professional management, or those already in a management role and wish to develop their theoretical understanding of management skills.

ON-PROGRAMME LEARNING

Bespoke training, including group, one to one and online learning with an integrated approach to the assessment of knowledge, skills and behaviours. This section of the course will give the apprentice the required knowledge, skills and behaviours to achieve their end point assessment and become a management professional. During the on-programme period, the learner will build their portfolio of evidence to show the application of knowledge, skills and behaviours.

FUNCTIONAL SKILLS

- Level 2 English
- Level 2 Maths

Functional skills are the fundamental ENGLISH, MATHS and ICT skills that people need for their working and personal lives.

People can study for the qualifications in practical ways and apply core skills to real-life situations.

Our programmes of learning help to equip people with the essential skills they need to succeed.

ONLINE LEARNING

On-line courses are offered to customers from large organisations right through to individual learners via our online e-learning portals. There are lots of benefits to joining one of Eden's online courses; distance learning is helping more and more learners get educated in a learning style that suits them best.

ADVANTAGES OF E-LEARNING

- **Variety of programmes and courses**
Learners gain access to a variety of courses which complement their own requirements and development needs
- **More comfortable and preferable learning environment**
Learners can complete the on-line courses as part of their 20% off-the-job learning at work
- **Career Advancement**
Our professional on-line courses support career growth and professional skills
- **Convenience and flexibility**
Online courses are accessible at any time of the day to suit the learner

GATEWAY & END POINT ASSESSMENT

GATEWAY

The gateway meeting is a milestone in the learner journey as it marks the end of the on-programme learning. The Learner, Employer and Skills Tutor will meet and agree that the learner meets the requirements of the standard and are ready for the end point assessment.

END POINT ASSESSMENT

The end point assessment will be completed by an independent end point assessor from an EPA Organisation.

PRESENTATION WITH Q&A

- Presentation topic will be agreed post-gateway
- 20-minute presentation
- 30-minute Q&A session

PROFESSIONAL DISCUSSION UNDERPINNED BY A PORTFOLIO OF EVIDENCE

- Portfolio of evidence will be developed during the on-programme period and submitted at Gateway
- 60-minute professional discussion
